MEMORANDUM FOR: All NIOs, A/NIOs & AG

C/NIC plans to visit NPIC (see attached), probably the second week in December. NPIC can comfortably accommodate a total of five people. Gen Horton invites four of you to go with him, on a first-come-first-served basis. Please let me know by Monday, November 17th, if you would like to join him.

Thanks,

Barbara

MEMORANDUM FOR: Brigadier General Frank B. Horton III, USAF
Chairman, National Intelligence Council

FROM : R. M. Huffstutler
Director, National Photographic Interpretation Center

SUBJECT : Visit to NPIC

1. In the interest of providing key members of the Intelligence Community with an update on the current activities and new developments in the imagery intelligence field, I invite you and members of your staff to visit NPIC for an overview of our operation and facility. The overview program will give you the opportunity to explore the day-to-day functions of the imagery analyst, to gain "hands on" experience with some of our technical equipment, to examine the significant upgrades and changes affecting both our facility and our national imagery data bases, and to gain greater familiarity with the imagery intelligence production process.

2. The entire overview program, which takes about three hours, will provide you with a comprehensive picture of our facility and the unique services it offers the Intelligence Community. My secretary will make the necessary arrangements for such a visit at a time of your convenience. She will be in contact with your secretary in the next few days, or she can be reached at [REDACTED]

3. I look forward to the opportunity to share NPIC's accomplishments and challenges with you.
